## HAWTHORNE'S ATTRACTIONS.

Entries for the Chicago Jockey Club's stake events to be run at the spring meeting at the Hawthorne track this year are unusually large in number and include nearly every thoroughbred of note in the west and south, and a fair delegation from the east. These nominations are for the seven spring stakes only. Later in the season, probably about the first week in June, the management will open about sixteen additional stake events to be run off at the summer and fall meetings. Among these will be a number of rich stakes for two-year-old and three-year-old colts, and similar stakes for two-year-old and three-year-old fillies, all of which will be worth at least \$2,000 each. By that time racing in the south will have afforded a pretty fair line on the merits of the various animals in training, and conditions can be more intelligently arranged than at present.

Steeplechasing will be a feature at Hawthorne this year as usual, but will be run on a more liberal scale than ever before. In addition to the ordinary purse races the club will offer at least four good-sized stakes that will attract the best of the cross-country timber jumpers from the east and from Canada. Hawthorne has made steeplechasing very popular in this part of the west, even when conducted on the small-purse plan, and with liberal stakes as an added inducement the management believes the sport will assume greater importance.

The seven spring stakes for which the entries are now at hand will all be decided at the opening meeting of the Hawthorne track which will begin in the latter part of May or early in June. Manager McEvoy, of the Chicago Jockey Club, gives the official list of nominations to these events as follows:

Stake.	Age.	Dis.	Ent.
Turf Congress Handicap	3 & up	1 1-16 m.	91
June	3 & up	1 1-8 m.	73
Flight (Selling)	3 & up	3-4 m.	90
Speculation (Selling)	3 & up	1 m.	107
Juvenile	2 years	5-8 m.	96
Test (Selling)	2 years	5 1-2 fur.	88
Hawthorne	2 years	5-8 m.	102

Total.....647

This is an average of ninety-two entries for each stake, a very gratifying increase over the showing made in similar early closing events in previous years. Besides this the class of horses engaged is unusually high, nearly all the cracks from the west and south having been nominated.

Considered from the standpoint of money value, the Turf Congress Handicap is the most important fixture on the spring card. In this there are ninety-one entries, making a total in nominating fees of \$910. Allowing that only ten start, which is a very modest estimate, the additional starting fee of \$50 each will make the full amount \$1,410. This, with the \$2,000 added money, will bring the total value of the stake up to \$3,410. This race, which is at 1 1-16 miles, will bring out many of the cracks of the handicap class, the entries including such stars as Lieutenant Gibson, Advance Guard, The Conqueror, F. W. Brode, Yellow Tail, Bannockburn, Dr. Sheppard, Carnero, Serrano, Tenby, Benneville, May Beach, Norford, Sidney Lucas, Triaditza, Mint Sauce, Tulla Fonso, Zoroaster, Strangest, W. Overton, Potente, Lieber Karl, Algol, St. Simonian, Imperious and a host of other good ones.

The June Stakes, 1 1-8 miles, weight for age, with winning penalties and non-winning allowances, has been liberally patronized by owners of good three-year-olds and animals of older ages, and, as a severe test of the abilities of the former, may afford a line on some of the candidates engaged in the American Derby, which is to be run a little later in the month.

With the exception of the Turf Congress

Handicap, which is an added money event, all the stakes have a guaranteed value, as follows: June Stakes, \$2,000; Flight Stakes, \$2,000; Speculation Stakes, \$2,000; Juvenile Stakes, \$1,800; Test Stakes, \$1,800; Hawthorne Stakes, \$1,800.

Among the crack two-year-olds nominated at Hawthorne are the flying Sofala, Sad Sam, Bab (full sister to W. Overton), Anxious, Ben Magen, Lillie Diggs, Hy Lo, Laura Marie, Sig Levy, Zack Ford, Adnor and a formidable list of others that have yet to make their debut, the list of entries for the three events for youngsters having a total of 236 nominations. Hawthorne, which formerly had the reputa-

tion of being a slow track, was wonderfully improved under the thorough working given it last year and became very fast, two records for America being made on it. Besides these the time made for other distances from five and a half furlongs up to two miles will compare favorably with that which stands for the record as the following table will show:

Distance.	Horse.	Wt.	Time.

Time, 2:31, 4:51, 1:02.1.  
Winner—Blk g, by Take Notice—Berna.  
Went to post at 1:30. At post 1 minute. Start good. The first three were driving to their utmost. Bernato's win was a form reversal although he got off well to-day. He was tiring in the last sixteen and barely lasted long enough. Merida closed gamely and improves from race to race. Screenwell Lake ran much better than heretofore. Moonbright was whipped through the last three furlongs and if his rider had been without a whip the colt would probably have won. He turned wide into the homestretch and was badly mismanaged personally.  
Scratched—17095 Oscar Tolle, 103.  
San Durango, place, 2 to 5; show, out. Merida, place, 6 to 5; show, out. Screenwell Lake, show, out. Moonbright, place, out.

Winner—B. g, by St. Andrew—Otyanna.  
Went to post at 2:00. At post 5 minutes. Start good. Won easily; second driving. St. Casimir outclassed his field and his rider took no chances. Mountebank found his speed and ran one of his good races. Fidel Young also ran a good race and finished stoutly. Miss Marion quit badly in the final furlong. May Gertrude's rider was hit in the eye with a clod when near the half and the pain made him forget he was in a race.  
Overweights—Mountebank, 3 pounds; Miss Marion, 3; Harry Corby, 2.  
St. Casimir, place, 1 to 4; show, out. Mountebank, place, 3 to 1; show, 17 to 10. Fidel Young, show, 4 to 1.

Went to post at 2:30. At post 2 minutes. Start good. Won easily; second ridden out. Meddle was kept out of the early pace and brought on with a rush in the last three furlongs. He has improved and jumped well. Durwad bore out considerably, but for which he would probably have been closer up. Duke of York was well ridden and finished fast. University was made too much use of. Viking showed early speed.

Winner—B. c, by St. Andrew—Hot Spring.  
Went to post at 3:00. At post 2 minutes. Start bad. Won handily; second ridden out. Vesuvian is a fine fast colt and ran a splendid race under good handling. He held the rail throughout. The Fretter also ran a fine race with more weight up than he likes to carry. Zoroaster seemed dangerous momentarily in the homestretch but was short and stopped. Consellator ran his race. Advance Guard ran a better race than the winner from a frightful send-off.

Twinkler came from far back in the run down the homestretch. Potente found the route too long and weakened badly in the final furlong. Daisy F. runs better when sent to the front and the same is true of Catastrophe.
